# Early Childhood Education and Care

CRICOS Course Code: 108092E

*For International Students*

## About the Course

The CHC30121 - Certificate III in Early Childhood Education and Care qualification is suited to the role of workers in a range of Early Childhood Educational settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. Having completed this course, you can support the implementation of an approved learning framework, and support children's wellbeing, learning and development.

This course teaches you the skills and knowledge to provide care to children, and to plan engaging and educational activities to maximise their development. You will be able to create individual profiles and provide appropriate education and care for the children you are working with. You may choose to work under direct supervision or autonomously.
