HLT37015 - Certificate III in

Sterilisation Services

For Domestic Students

About the Course

The HLT37015 - Certificate III in Sterilisation Services provides an essential support service, assisting medical and nursing staff in providing surgical and clinical care to patients. Sterilisation is an integral process where consultation, surgery, and invasive procedures are required.

This qualification is primarily designed to provide a range of varied activities required by employed and responsible workers for the sterilisation of equipment and compliance with infection control policies and procedures.

Course Details

Duration:
26 Weeks

Training Hours:
550 Hours

AQF Level:
3

Course Delivery:
Blended &
Face-to-face

Campuses:
Melbourne, Sydney, Perth

The course is provided through Blended mode of delivery. It will be delivered over 550 hours including theory, self-paced structured e-learning, simulation training.

Job Outcomes

- Sterilisation Technician
- Sterilisation Assistant
- Instrument Technician
- Hospital pharmacy assistant

This course follows Competency-based training which is the concept that individuals learn at different rates as well as through different modes and different environments and that the skills and knowledge that a student has acquired previously are able to be formally recognised.

Mode of Delivery

Face to Face On-Campus:

20 contact hours per week will be delivered through on-campus class, Online learning, simulation based training and Professional experience placement.

Besides the above structured learning, students are advised that they will be required to do approximate 10 hours per week of unstructured learning. Students must meet additional requirements for Professional Experience Placements as required such as a clear police check, working with children check & immunisations.

*Please call your respective campus locations for more details.

Blended Delivery

20 contact hours per week will be delivered through synchronised Online learning which includes on-campus simulation based training and Professional experience placement.

Besides the above structured learning, students are advised that they will be required to do approximately 10 hours per week of unstructured learning.

The blended delivery mode is only available to domestic students on selected campuses and subject to eligibility.

Students must meet additional requirements for Professional Experience Placements as required such as a clear police check, working with children-check & immunisations.

*Please call your respective campus locations for more details

Entry Requirements

There are no mandatory entry requirements for this course; however, following IHNA admission criteria will be applicable:

- Applicants are required to be 18 years old and above.
- Successful completion of an ACSF test with demonstrated competence as per IHNA LLN requirements (issued within the last 12 months from the time of admission).
- It is also essential for students to possess basic computer skills.

Additional requirements for Professional Experience Placement:

- A satisfactory National Police Clearance / Australian Federal Police Clearance Certificate (AFP) / NCC will be required for all practical placements.
- Working with children check.

IHNA highly recommends students to complete the immunisation process before the Professional Experience Placement start date as some facilities will not provide placement to student without Immunisation.

Where a student breaches the above requirements, they could be excluded from their practical placements which may result in unsuccessful completion of the course.
