# CHC43015 - Certificate IV in **Ageing Support**

*For Domestic Students*

## About the Course

**The CHC43015 - Certificate IV in Ageing Support reflects the role of support workers who complete specialised tasks and functions in aged care. They work either in residential, hospital or community based environments and are required to take responsibility for their own work within defined organisation guidelines.**

They will also be required to maintain quality service delivery through the development, facilitation, and review of individualised service planning and delivery. Workers will be required to demonstrate leadership and take responsibility for other team members. The course modules are structured to provide a balanced program of theory and practise relevant to the career opportunities in the aged care industry.
