# Job Outcomes

After successful completion of the program the graduates may apply for registration with the Nursing and Midwifery Board of Australia as an Enrolled Nurse. The occupational title is Enrolled Nurse (EN). Upon successful registration with NMBA, graduates may gain employment in various healthcare facilities, which may include:

- Hospitals
- Day respite centres
- Rehabilitation centres
- Residential group homes
- Medical centres
- Training resource centres
- Open employment services
- Other community settings and clients homes

This course follows Competency-based training which is the concept that individuals learn at different rates as well as through different modes and different environments and that the skills and knowledge that a student has acquired previously are able to be formally recognised.

## Mode of Delivery

### Face to Face

20 contact hours per week will be delivered through on-campus class, Online learning, simulation based training and Professional experience placement. Besides the above structured learning, students are advised that they will be required to do approximate 10 hours per week of unstructured learning. Students must meet additional requirements for Professional Experience Placements as required such as a clear police check, working with children check & immunisations.

\*Please call your respective campus locations for more details.
