CHC52021 - Diploma of **Community Services** (Case Management)

For Domestic Students

EDUCATION for
EMPLOYMENT:
Bridging the gap globally

About the Course

The Diploma of Community Services (Case Management) is ideal for gaining the necessary skill sets for a profession in the Community Services sector. Students can become an advocate in areas such as family welfare, community health, employment services and disability services. The responsibilities of Case Managers are diverse in nature but generally include duties such as the implementation of service programs, the evaluation and assessment of client needs, and coordinating referral processes.

Students may undertake this course as an entry pathway into the care/ support industry. Our course is directed towards developing multiskilled workers who can communicate effectively and advocate on behalf of clients, employ counselling techniques, work one-on-one and in groups, apply all aspects of case management, including complex assessment and referral, implement community development strategies, understand the impacts of sociological factors on clients and case management techniques.
