HLT54121 -

Diploma of Nursing

Accreditation

Australian Qualifications Framework

NATIONALLY RECOGNISED TRAINING

For WA Funding Students
(Funded by DTWD - Department of Training and Workforce Development)

EDUCATION*for* EMPLØYMENT:
Bridging the gap globally

About the Course

The HLT54121 Diploma of Nursing is a Vocational Education and Training (VET) qualification that adheres to the Standards for Registered Training Organisations 2015 and the ANMAC Enrolled Nurse Accreditation Standards 2017. This course equips students with the essential skills and knowledge required to practice as an enrolled nurse, in line with the NMBA Enrolled Nurse Standards for Practice 2016.

As a well-structured entry-level nursing programme, the HLT54121 Diploma of Nursing prepares students for a fulfilling career in healthcare. Upon successful completion of the course and registration with AHPRA, graduates will be ready to work across a wide range of healthcare settings, under the supervision and guidance of a Registered Nurse (RN) or, where appropriate, a Registered Midwife (RM).

Course Details

Duration (Face to Face):
48 Weeks

Days Per Week:
2.5 Days

AQF Level:
5

Course Delivery:
Face to Face

Campuses:
Perth

Professional Experience
Placement (PEP):
400 hours

Job Outcomes

After successful completion of the program the graduates may apply for registration with the Nursing and Midwifery Board of Australia as an Enrolled Nurse. The occupational title is Enrolled Nurse (EN). Upon successful registration with NMBA, graduates may gain employment in various healthcare facilities, which may include:

- Hospitals
- Day respite centres
- Rehabilitation centres
- Residential group homes

- Medical centres
- Training resource centres
- Open employment services
- Other community settings and clients homes

This program follows Competency-based training which is the concept that individuals learn at different paces as well as through different modes and different environments and that the skills and knowledge that a student has acquired previously are able to be formally recognised.

Mode of Delivery
Face to face delivery (For WA funding requirement only)

IHNA will deliver two and a half days of on-campus classes on a weekly basis. During these classes, students attend theory and simulation-based training and learning. During the simulation-based training in IHNA simulation labs, educators demonstrate nursing clinical procedures and students are required to practise and demonstrate clinical nursing. In addition, students are to attend mandatory work placement of 400 hours.

Entry Requirements

There are no prerequisites or any other training package entry requirements for this course.

IHNA's admission requirements for the course are as follows:

- Successful completion of year 12 or pathway through certificate IV level qualification from the HLT or CHC training package*
- 18 years of age and above at the time of commencement of the course
- Successful completion of the language, literacy and numeracy (LLN) test and demonstration of competence level as exit level 3 in the Australian Core Skills Framework (ACSF) in both reading and numeracy
- NMBA specified level of English language skills#
- Basic computer literacy

#https://www.nursingmidwiferyboard.gov.au/Registration-Standards/English-language-skills.aspx

Mature age students (22+) may also be considered without the minimum educational requirements. Each case will be reviewed individually to ascertain the student's suitability for course requirements.

WA Funding Requirements:
A student must be a resident of Western Australia and student must meet one of the below residency requirements:

- an Australian citizen
- a holder of a permanent visa, or
- Hold a Humanitarian Visa
- Temporary Residents
