

CHC30121 - Certificate III in

# EARLY CHILDHOOD EDUCATION AND CARE

CRICOS Course Code: 093192F

RTO ID: 21985

## About the Course

The CHC30121 - Certificate III in Early Childhood Education and Care qualification is suited to the role of workers in a range of Early Childhood Educational settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. Having completed this course, you can support the implementation of an approved learning framework, and support children's wellbeing, learning and development. This course teaches you the skills and knowledge to provide care to children, and to plan engaging and educational activities to maximise their development. You will be able to create individual profiles and provide appropriate education and care for the children you are working with. You may choose to work under direct supervision or autonomously.

## Course Details

Duration	52 Weeks (International)	52 Weeks (Domestic)
AQF Level	3	

The course is provided through Face to Face or Blended mode of delivery. It will be delivered over 1200 hours including theory, self paced structured e-learning, simulation training and work-based training / Professional Experience Placement (PEP).

## Job Outcomes

- Early Childhood Educator
- Childhood Educator Assistant
- Family Day Care Educator
- Nanny
- Outside School Hours Care Programme Assistant
- Playgroup Supervisor
- Preschool Assistant

**1800 22 52 83**

## Mode of Delivery

### Face to Face On-Campus Delivery

Students are required to attend 20 hours of classes per week including simulation based assessment and professional experience placements.

### Blended Delivery

20 contact hours per week will be delivered through synchronised Online learning which includes on- campus simulation based training and Professional experience placement.

Besides the above structured learning, students are advised that they will be required to do approximate 10 hours per week of unstructured learning.

*The blended delivery mode is only available to domestic students on selected campuses and subject to eligibility.*

Students must meet additional requirements for Professional Experience Placements as required such as a clear police check, working with children check & immunisations.

*\*Please call your respective campus location for more details*

## Entry Requirements

### For Domestic Students

IHNA has in place admission criteria for courses in its scope as required by its 'Application and Enrolment Procedure for VET Courses' to ensure that candidates meet industry requirements.

- Applicants are required to be 18 years old and above
- In addition, all applicants are required to have successfully completed an ACSF test and demonstrate competence working at Level 3 for all indicators to enrol for this qualification (issued within the last 12 months from the time of admission).
- It is also essential for the student to possess basic computer skills.
- Aboriginal and Torres Strait Islanders are encouraged to apply.

### For International Students

IHNA has in place admission criteria for courses in its scope as required by its 'Application and Enrolment Procedure for VET Courses' to ensure that candidates meet industry requirements. Offshore International students who wish to apply for this course must meet the following requirements:

- International English Language Testing System (IELTS) examination (Academic) with a minimum total band score of 5.0 and minimum score of 5.0 in each of the four components of listening, reading, writing and speaking or meets equivalent English language proficiency requirements;

- Applicants are required to be 18 years old and above;
- In addition, all applicants are required to have successfully completed an ACSF test and demonstrate competence working at Level 3 for all indicators to enrol for this qualification (issued within the last 12 months from the time of admission); and
- It is essential for the student to possess basic computer skills.

### Physical Requirements

While IHNA will work with you to make "reasonable adjustments" in the campus lab and classroom, there are work place practice conditions that occur in the workplace environment that are beyond IHNA's control. Physical requirements like Strength, Mobility, Hearing, Vision and Communication are necessary to function in the healthcare facility and/or community setting. Students must be able to perform and complete course objectives and requirements with or without reasonable adjustments. Our courses cater to a range of candidates. The candidates are required to be physically fit to manage tasks.

If you have a disability or disorder or on any longer medications that will require reasonable adjustments to fulfill these requirements, then please declare in your course application.

*Upon successful completion of all the required units of competency, students will be issued a testamur with record of results.*
